Experience

Full Stack Developer

AppNative | June 2020 - Current

- Worked collaboratively with other project team members, including designers to develop user interfaces for web and mobile applications
- Conducted thorough code reviews and provided detailed feedback to team members to ensure code quality and adherence to best practises
- Test and monitor web and mobile applications for bugs resolving issues based on priority including urgent hot fixes
- Deployed and maintained web and mobile applications in production environments, ensuring high reliability
- Collaborated with project members to achieve SCRUM sprint targets, contributing to the successful completion of projects within expected timelines

Intern Developer

IOOF Holdings Limited | Feb 2020 - March 2020

- Developed a website prototype using micro-frontends and mocked backend technologies, showcasing strong technological skills
- Utilised Agile methodologies and adhered to SCRUM processes to manage project progress across sprints, contributing to timely project delivery
- Demonstrated a deep understanding of the business domain to ensure the prototype met the specific demands and requirements of the business.
- Used internal component libraries to maintain consistency and improve efficiency of the development process across company products
- Wrote comprehensive tests with a high test coverage to ensure that the code was maintainable and reusable

Additional experience includes:

Real Estate Receptionist

Hayden Real Estate | Jan 2019 - Aug 2019

Pharmacy Assistant

Chemist Warehouse | Jan 2017 - Dec 2018

Shift Manager

McDonalds | April 2015 - Jan 2017
